BEAUMONT, TEX., NOV. 24, 1900.

BEAUMONT'S RICE CARNIVAL As the time draws near for the grand Rice Carnival to be held December 6th, 7th and 8th, there is an Increase in interest by all who expect to attend, for Beaumont has planned to outdo all former events and prom- a hundred men in the Texas division ises her visitors a day of rare pleasure and some sights that are rarely witnessed. One of the free features is the balloon ascension to be made by Prof. E. O. Griffith, who makes a a thousand fail to do so much as to Thinking and smoking a good cigar. parachute leap at night, something entirely new in the way of daring that holds the crowd spell bound. On the night of the 7th is Carnival night. The Queen of the Carnival will enter the city that night attended by her Royal Retinue and the city will be lavishly decorated for the occasion, making one of the most beautiful sights ever witnessed in Texas. Her entry will be announced by a salvo of bombs, which will illuminate the sky with their varied hues. At the Auditorium the keys of the city men in every honorable, open way as will be presented to her majesty and well as giving \$5000 insurance in case the ceremony of crowning the queen will be carried out. On Saturday the week indemnity at the lowest possible ble crash will be carried out and the grand of. The fraternal features are beyond trades display and flower parade will the pale of argument. The Travelers' Protective association button stands by an electric automobile lavishly decorated, Mr. J. C. Ward having tenas a safeguard of rights, and today dered the use of his automobile on the commercial world. that occasion. At night one of the grandest displays of fire works ever workers are few. Some will begin next seen in Texas will be displayed for week to do good work; others promtion to these free attractions, there still lives through all this, and the one will be numerous other attractions fact that it prospers with a little work such as Millie Christine, the two still stands a monument for the truth headed woman, who is without doubt and great worth that is in it. The the greatest human wonder. Mr. J. OUR MINISTER TO AUSTRIA MAY

RESIGN Vienna, November 24.—It is reported that the resignation of Addison C. Harris, United States minister to Hungary-Austria, will be sent to Wash ington in a few months, and Mr. Harris will return to Indianapolis to resume the practice of law. Mr. Harris is quoted as saying: "I am accustomed to every active life. There is no activity about the Vienna mission to satisfy my nature, and I long to resume the practice of law. I shall return to Indianapolis before long."
